

MESOCALM

Instant Soothing Elixir

Serum for reddened and sensitive skin

DERMEDICS™ MESO CALM is a serum designed to assist in calming the discomfort associated with weak, itchy, highly irritated or reddened skin. It has soothing properties, so it can be applied on the most delicate, demanding or sensitive skin condition.

Overview

- Daily skin care of face and body
- Unisex: for women and men, for skin of all types
- Sun damaged skin (as a healing compress)
- Reddened skin with inflammation (rosacea)
- Delicate and sensitive skin with broken capillaries
- Dry and dehydrated skin
- Skin itching symptoms
- Skin with roughness symptoms
- Lack of skin elasticity and firmness
- Acne with strong inflammation and painful pimples (to calm the inflammation)
- Post treatment care for instant redness reduction (especially after peels and microdermabrasion)

Effects

- Provides anti-collagenase efficacy
- Improves regeneration of skin
- Decreases skin redness
- Decreases oxidative stress caused by UV exposure
- Soothes irritations
- Restores the functional balance of dry and damaged skin
- Calms inflammation of different origins (including acne)
- Calms already broken capillaries
- Reduces chronic facial redness and post-treatment redness (recommended as calming compress after: epilation, peelings, microdermabrasion)

Active Ingredients

D-panthenol (Provitamin B5) + Herbal Extracts (Green Tea + Boswellia + Licorice) + Salicylate Silanol + Tetrapeptide-33

Directions for use

- Mesotherapy
 - electroporation (electrophoresis)
 - ultrasounds (sonophoresis)
 - iontophoresis (+ or -) = no ionisation effect
(serum does not contain ions so iontophoresis will be neutral)
 - derma-roller / dermapen (max 0,25mm)
(if you use needles longer than 0,25mm then apply the serum after around 7-10 minutes from treatment – read micro-needle protocols of use)
- Oxygen therapy
- Chromology™ Photodynamic Therapy (PDT)
- Post abrasion skin care
- Relaxing massages of face
- Under massage cream in manual massages
- Vacuum massage by Cellulogy™ and/or CelluDrain™
- Daily skin care
